

Packing and Palletizing

TEC Automation is a world-class supplier of robotic automation solutions.

We provide proof of concept, simulation, mechanical and electrical engineering, programming, assembly, run off, factory acceptance, training, installation and post installation service and support.

PACKING AND PALLETIZING TEC delivers complete turnkey systems

Robotic systems, end-of-arm tools, engineered conveyor systems, weigh scales, stretch wrappers, bar coding, data collection, pallet racks, pallet dispensers, slip sheet racks, AGVs and transfer cars

Palletizing FFS Bags
Motoman EPL160

Palletizing Bags
Nachi SC50

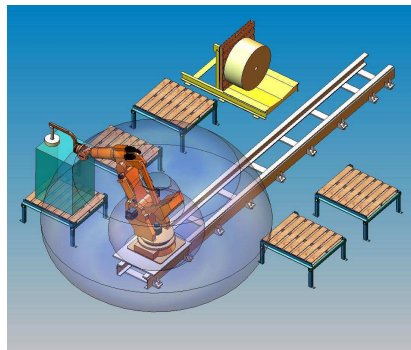

Palletizing Cases and Cartons
ABB IRB640

-----Industries Served-----

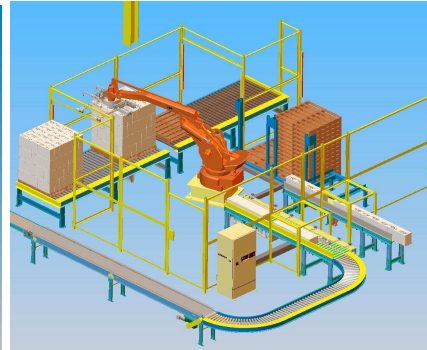

Machine Tools Glass Plastics Building Products	Aluminum Foundry Metals Health and Beauty Food and Beverage	Ductile Iron Foundry Paper Office Furniture Automotive Tier 1, 2...n
---	--	---

-----TEC Packing and Palletizing Products-----

- 🔧 **Robots, controllers and robotic cells**
- 🔧 **End-of-arm tools** - for machined parts, castings, sheet metal and plate stock, tubes, glass sheets, bags, drums, cartons, pallets, gears and pinions, ceramic components, plastic parts, spools and rolled products, wheels, hubs and others
- 🔧 **Part presentation** – mechanical and machine vision-based feeder systems
- 🔧 **Vision systems** for part location, feature checking and robotic guidance
- 🔧 **PLCs and drives** – for use with our robotic cells and material handling systems
- 🔧 **Data collection** and human-machine interface systems
